In re Application of :
Mondragon-Torres et al :
Application No. 10/699,707 : **DECISION ON PETITION**
Filed: November 3, 2003 :
Attorney Docket No. TI-35731 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed November 19, 2009, to revive the above-identified application.

The petition is **GRANTED**.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is **not** a correct reading of the statement appearing in the petition.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an amendment; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the nonfinal rejection mailed March 5, 2009, is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3208.

This application is being referred to Technology Center AU 2611 for appropriate action by the Examiner in the normal course of business on the reply received November 19, 2009.
